

In the **Q**: New Banners Coming to the MedQuarter!

Phil Wasta
MedQuarter
Executive Director

Splashes of color will be added to the MedQuarter Regional Medical District soon through the installation of a second generation of banners highlighting some of the amenities that are available within the District. Restaurants, coffee shops, houses of faith, spas, areas to recreate, shops and much more can be found "in the Q."

These new banners will not only bring color to the District, but will help inform all who visit that there are a wide variety of things to do in the MedQuarter.

To learn more about all the businesses in the MedQuarter, visit www.themedquarter.com/Directory/Business-Community.aspx.
